About the artwork

A figure suspended between earth and imagination, carrying a fragment of the sky within her hands. Draped in rich ceremonial colors and surrounded by delicate floral patterns, she becomes a quiet symbol of longing, mystery, and the search for something beyond the visible. In Vahagn Haroutiounyan's world, tradition and fantasy meet—where clouds become dreams, and dreams become something we can almost hold.

Medium:	Painting
Materials:	Acrylic on Canvas
