About the artwork

"The Lace Garden " celebrates the vitality of women in their youth — bold, spontaneous, and radiant. Layered lace textures in pink tones evoke movement and energy, like a garden in spring. The muted background honors the generations before, while the lace itself speaks of origin — the source of womanhood, intricate, resilient, and endlessly sublime.

Medium:	Painting
Materials:	Mixed Media on Canvas
Style:	Abstract,Contemporary
Size:	150 × 165 Centimeters (cm)
Frame:	Not Framed
Availability:	Available
Classification:	Unique
Series:	Part of a Series
