About the artwork

The Fold Voile Rosée Royale: captures movement gathered into layers — soft folds unfolding around a quiet center, suspended between delicacy and tension. Handbuilt in stoneware, the sculptural form evokes the sensation of movement turning inward, where fluid gestures settle into stillness.

The translucent Voile Rosée glaze flows across each fold in soft blush and ivory tones, revealing depth, rhythm, and subtle variations throughout the piece. Resting on a textured raw/satin stoneware base, the contrast between refinement and rawness gives the vessel its sculptural presence.
