About the artwork

Wave Sable Doré Signature: draws its inspiration from sun-warmed shores and mineral landscapes shaped by time. Its sculptural waves unfold with natural rhythm, revealing layered textures and soft movement. The interplay of warm sand tones and luminous highlights gives the piece a quiet radiance, balancing raw materiality with refined elegance.

Inspired by the fluid grace of ocean waves, this piece captures movement in serene stillness. Each handbuilt curve flows naturally, forming a sculptural silhouette with soft, organic edges.
