### About the artwork

Wave Empreinte - Terre de Feu Royale captures the raw force of fire and clay in motion, with deep earthy tones that evoke lava, ash, and ancient soil.

This piece is part of the Wave Collection, a series inspired by natural forces and silent emotion. The name Empreinte — meaning "imprint" — refers to the fingerprints intentionally left within the clay. These marks preserve the gesture of creation itself, freezing a fleeting moment between hand and material. Like the wave it depicts, the movement has stopped, yet its trace remains.
