About the artwork

This artwork explores the fragile space between memory and transformation. The fragmented face emerges from layers of black and white, symbolizing the passage between past and future. The dissolving textures represent memories that fade, yet continue to shape identity. Through abstraction and contrast, the work reflects the idea that every transition carries traces of what was, and echoes of what is yet to come.

Medium:	Painting
Materials:	Mixed Media on Canvas
Size:	100 × 70 Centimeters (cm)
Frame:	Framed
Availability:	Available
Classification:	Unique
Series:	Part of a Series
