📍 Dubai, United Arab Emirates

**About the artwork**

This study on paper is part of a series of four works in which Azzam zooms in on a particular building in a Berlin neighborhood, mapping its rise through a rectangular grid of windows. At times, the rectangles are left blank, like empty plots, while in other instances they are filled in and fused. Through the use of color, the architecture, enveloped by a conventional sky or muddy greens and reds, becomes a subjective reality.
