About the artwork

Alive captures life at its most visceral—restless, layered, and forever becoming. Each layer responds to the last, creating a surface that breathes with movement, colour collisions, and the residue of process. It is a painting that refuses stillness, inviting the viewer into its rhythm of creation and destruction.

Medium:	Painting
Materials:	Mixed Media on Canvas
Style:	Abstract,Contemporary
Size:	180 × 150 × 4.00 Centimeters (cm)
Frame:	Not Framed
Availability:	Available
Classification:	Limited Edition
