About the artwork

Guardian of the Horizon reflects the enduring connection between identity, resilience, and vision. A solitary figure, partially veiled, gazes outward with quiet determination, embodying dignity and inner strength. Resting above, the falcon, a timeless symbol of freedom, wisdom, and guardianship serves as both protector and silent companion. Rendered in monochrome against a radiant gold-leaf background, the composition creates a dialogue between tradition and transcendence, inviting the viewer to contemplate the power of silence, heritage, and unwavering purpose.
