About the artwork

"Collective Voyage" explores the shared experiences of humanity, while honoring the individuality of perception. Squares and lines threaded across the canvas create patterns that absorb and reflect color differently, symbolizing how each of us encounters life uniquely. Through texture and form, the work meditates on connection, divergence, and the ways collective moments are lived, felt, and remembered in personal ways.

Medium:	Painting
Materials:	Mixed Media on Canvas
Style:	Abstract,Contemporary
Size:	120 × 146 Centimeters (cm)
Frame:	Not Framed
Availability:	Available
Classification:	Unique
Signature:	Signed
Previous sale:	None
