**About the artwork**

In Afshin Pirhashemi's work, black is a symbol for the power that cloaks femininity, truth, militancy and a worldview in which the stakes are high. His monochrome register never loses its dimensionality, although primary colours have begun to seep in, as well as the sheen of poetic fragments. His use of the female figure is also quite prominent, and elicits both violence and seduction through the work.

Medium:	Painting
Materials:	Oil on Canvas
Style:	Figurative, Contemporary
Size:	150 x 200 Centimeters (cm)
Frame:	Not Framed
